

The **Central Ohio Radio Kontrol Society (CORKS)** and **Fairfield Ohio Radio Kontrol Society (FORKS)**, in association with the **National Association of Scale Aeromodelers (NASA)**, have teamed up to present to you, the first annual...

Central Ohio Scale Classic

July 14th and 15th, 2018

Chapman Memorial Field - 3183 Columbus Rd, Centerburg, OH 43011

Are you interested in airplanes and aviation?

Stop by and witness remotely controlled scale model aircraft compete and perform maneuvers similar to their full-scale counterparts. Models will vary from war era fighters to past and present civilian airplanes with possibly a few turbine powered jet models. Flights are judged for realism and precision. Come out, enjoy the outdoors in a family friendly environment, and witness some of the most talented RC pilots in the area. Be sure to bring a lawn chair because you'll want to stay a while!

Spectators...

- On site concession stand with reasonable prices!
- Free admission and parking!

Pilots...

- Full Scale grass runway
- Friday practice flying
- First aircraft entry \$20, second entry is **FREE!**
 - o Pre-registration encouraged
